SAINT-TROPEZ
CROCHET SKINNY SCARF

Cathedrals X Cafés

DESIGN INSPIRATION & STYLING OPTIONS

The Saint-Tropez Skinny Scarf, part of my Riviera Collection, is a beautiful blue and white accessory with lots of versatility. Inspired by gently cresting waves of the blue Mediterranean Sea, when worn as a hair ribbon it invokes a vintage feel of a 1950s sunbathing Grace Kelly. This skinny scarf works not only as a hair accessory but can be worn as a neckerchief or attached to a bag. It's an easy way to add a little chic to any look. I love wearing it as a headband with oversized sunglasses. I hope you love it as much as I do!
