

A woman with long brown hair, wearing a light pink long-sleeved top and blue denim jeans, is holding a large, rectangular tote bag. The bag is made of thick, braided yarn in shades of pink and red. The background is a soft-focus outdoor setting with green foliage.

PIPPA TOTE

CROCHET PATTERN

Cathedrals X Cafés

Design & Styling Inspiration

The Pippa Tote is a funky little shopper bag. She's perfect for weekends, running errands, the market, brunch, or when you just want to add a little pop to your look. I designed her with having fun in mind. Equally at home with a cozy sweatshirt and your favorite broken in jeans as she is with a dress and cute heels for date night. I hope you love her as much as I do.

Notes

Bag is worked in unjoined rounds using **2 strands held together** throughout. Two strands make for a sturdier bag. For this pattern, "main color" refers to light pink, "alternate color" refers to dark pink.

Pattern Instructions

With 2 strands of main color held together, ch 15.

Round 1

Sc in second ch from hook and in each ch across row until last ch. Make 3 sc in last chain. Do not turn, continue working around other side of chain with a sc in each ch until last ch. Make 3 sc in last chain. Place stitch marker in last stitch of round and move marker each round to keep track. (32 sc)

Round 2

Drop one strand of main color and add alternate color. You now have one strand of main color and one strand of alternate color held together. Sc in blo of each stitch around. (32 sc)

Round 3

Sc in each stitch around. You will go through both loops this round and for each round going forward. (32 sc)

Round 4-10

Repeat round 3, dropping alternate color and picking back up main color for round 9 forward.

Round 11 (handles)

Sc 4, ch 9, sk 8 stitches, insert hook into next stitch and sc 8, ch 9, sk 8 stitches, insert hook into next stitch and sc 4. (32 stitches)

Round 12

Sc 4, sc 9 around chain handle, sc 8, sc 9 around other chain handle, sc 4.

Fasten off (I prefer the invisible fasten off) and weave in all ends.
